Marc Ashley
Chief Operating Officer

Johnson Li, Director and Dream Team 2007

Johnson and Susan said it's an honor and a duty to spread the word about Market America — a company that has changed their lives. The couple said that they are only as great as everyone in their organization, who are pillars of their success. Susan and Johnson look forward to a lifetime of helping others with Market America's products and opportunity.

Dr. Shari Lieberman, Ph.D., C.N.S., F.A.C.N.

With over 20 years of experience as a clinical nutritionist, Dr. Lieberman is a Certified Nutrition Specialist, a Fellow of the American College of Nutrition, a member of the American Academy of Anti-Aging Medicine, a member of the Certification Board for Nutrition Specialists and President of the American Association for Health Freedom. She is the recipient of the National Nutritional Foods Association 2003 Clinician of the Year Award and a member of the Nutrition Team for the New York City Marathon. Dr. Lieberman is the author of numerous books and is a published scientific researcher.

Susan Suszynsky, National Director of Sales and Training, Motives®

With an extensive direct sales background in sales management and recruiting plus practical cosmetics and personal care product sales experience, Susan's objective will be to fully exploit two inherent strengths associated with Motives. The Washington and Jefferson University graduate and Pittsburgh, Pa. native seeks to unleash the explosive sales potential of the business and refine its prospecting and recruiting capacity.

Sam Pitts, Executive Director and Field Development Executive

If there is one common denominator that runs throughout Sam's 12 years as a Market America UnFranchise® Owner, it would undoubtedly be his keen ability to effortlessly relate to everyone he meets. He has used this ability to connect people to trainings, the Opportunity and higher incomes. His mastery of the Basic Five comes from a hands-on approach with individuals in a team concept. He'll have ample opportunity to demonstrate this trait as a Corporate Field Development Executive charged with expanding the strength and vitality of the Field.
